ABOUT RAYAWAY TINT

RayAway Tint delivers professional window film solutions for residential, commercial, and specialty applications.

Our services include:

- **Smart Film (FlipTint)** – switchable glass technology for privacy on demand
- **Security & Safety Films** – protection against break-ins and impact
- **Decorative & Frost Films** – modern aesthetics and privacy solutions
- **Solar Control & Energy Films** – reduce heat and glare, improve efficiency

We provide full supply, installation, and warranty services across Tampa Bay, Orlando, Washington DC, Northern Virginia, and Houston.

VENDOR NETWORK PROGRAM

Our **B2B Vendor Network Program** is designed for businesses that want to expand their offerings and grow revenue without taking on extra operational burden.

Why join:

- **Full Turnkey Solution:** We handle supply, installation, warranty, and logistics — you simply offer the service under your own brand.
- **Flexible Vendor Network Program Options:**
 - White-label under your brand
 - Referred vendor model
 - Kickback / commission-based referral structure
- **Simple Pricing:** Transparent pricing sheet × square footage
- **Nationwide Mobility:** Our team travels to project sites across key markets

Grow your business, increase margins, and deliver premium tinting solutions with RayAway as your installation partner.

MATERIALS & WARRANTY

We only use premium, warranty-backed films from industry leaders such as:

- Llummar
- 3M
- Smart Film Technologies

Each product includes a 5-10 year warranty, backed by certified installation and manufacturer guarantees.
